Employment

Milford Regional Medical Center

Start date: September 2017

- Physician Peer Advisor 05/2024 – present:

I review patient charts for determination of observation/inpatient status; conduct peer-to-peers with insurance companies for hospital stay coverage or status denials; work to create in-house criteria to help determine inpatient criteria for specific, high-frequency diagnoses

- Member of Quality Improvement Committee, 2021—present:

Conduct case reviews of inpatient cases referred from other providers or committees to determine if care standards were met appropriately, and to identify systemic issues for further intervention

- Member of Infection Prevention and Control, 2017 – present

Attend monthly meetings; identify ID-specific trends/concerns and disseminate them to the hospitalist group

- Member of Medical Executive Committee 2021-2022

Review new hire candidates and policies for approval
