SUMMARY

Emergency Physician with twenty-two years of clinical experience. Vice Chief of Staff and Assistant Medical Director at Sutter Lakeside.

PROFESSIONAL EXPERIENCE

Vice Chief of Staff

January 2022 – Present

Sutter Lakeside, Lakeport, CA

- Facilitate Chief of Staff and Medical Executive Committee in ensuring appropriate enforcement of Medical Staff bylaws.
- Assist Chief of Staff in development and implementation of committees of the Medical Staff for improvement of length of stay, maximize compliance with current CMS guidelines, and utilization review.
- Work with senior hospital management to improve patient satisfaction and delivery of care that meets or exceeds current standards.

Assistant Medical Director

2020 – Present

Sutter Lakeside, Lakeport, CA

- Work with nurse management to improve physician compliance in achieving metrics for cardiac care, neurological care, and trauma.
- Foster and develop continuing relationships with between physicians and current and incoming ED nursing and ancillary staff to maximize efficiency and communication.
- Represent the ED at Clinical Care and Review Committee to ensure that concerns regarding clinical care and behavior of ED physicians are addressed in an open forum of medical staff to facilitate continuing improvement and honest feedback.

Attending Physician

2016 – Present

Sutter Lakeside, Lakeport, CA

- Coordinate and delivery exceptional emergency care in a busy single coverage Critical Access 14 bed ED
- Manage the care and disposition of multiple complex patients simultaneously while ensuring that patient flow through the ED allows for all who present to be evaluated and treated in a timely manner, regardless of payor source or ethnic background.
